

Joining the Virtual Meeting Scheduled for 2/25/21

All CBNMS Advisory Council Members and Alternates and Speakers Listed in the Agenda Are Being Registered by the Organizer:

Applies to all CBNMS advisory council members and alternates and people listed as speakers in the agenda: each is being registered by the organizer and is receiving an individual email invitation via the GoToWebinar system regarding how to join the webinar. Each will get his/her own, specific URL to join as a “Panelist”; OR, for the people organizing/supporting the meeting, will get his/her own specific URL to join as a “Co-Organizer”. Please do not share your individual link for joining the meeting with others.

*** Please save the confirmation email, which will come from customercare@gotowebinar.com (NOAA Education Host 1) the same day you receive the agenda and meeting preparation materials. It confirms you as being registered and contains information about joining the webinar on the day of the advisory council meeting. ***

Note: *you should not separately register for the meeting as an attendee.*

All Other People Wishing to Join as an Attendee Must Register in Advance:

Applies to people who are not in the category above, including members of the public and staff members who are not speakers listed on the agenda.

- Please register in advance for this webinar at –
<https://attendee.gotowebinar.com/register/8150459105803631116>

*** After registering, you will receive a confirmation email from the GoToWebinar system, which will come from customercare@gotowebinar.com (NOAA Education Host 1). It confirms your registration as an attendee and contains information about joining the webinar on the day of the advisory council meeting. Please save the confirmation email. ***

Attendees join in listen only (muted) mode; a meeting organizer can unmute people at the appropriate times during the meeting.

You may find general instructions on registering for and joining a GoToWebinar here:
<https://support.goto.com/webinar/how-to-join-attendees>

The Webinar ID # for this meeting is: 841-905-419

Information on system requirements for all GoToWebinar meeting participants are at:
